Success in today's competitive marketplace demands a closer relationship between the distributor and contractor.

It is the reason that 2J Supply continues to evolve beyond the traditional role of an equipment and parts wholesaler.

- Electrical parts and supplies
- OEM HVAC Equipment Parts
- Indoor air quality products
- Online Ordering
- Controls and replacement parts
- Duct design & calculation services
- Experienced Technical Support
- Certified LG Training Academy in Dayton

**BLUE HAWK**  
HVAC/R DISTRIBUTOR COOPERATIVE  
MEMBER

2J Supply has been a member of BlueHawk HVAC/R Distributor Cooperative for more than 10 years. You will notice our BlueHawk vendors are marked with a blue symbol. What this means for you is that these products are of the highest quality with the best in support. We continue to be a member of this cooperative so we can work together exclusively with a network of distributors and manufacturers across the country to ensure you have the best products and support available to you. When you buy 2J, you buy BlueHawk and that means quality.
